

OPEN LETTER TO POPE FRANCIS FOR MARY

August 22, 2019
Queenship of Mary

Dear Holy Father:

As Catholic Christians, we write this letter to you out of concern for the peoples of the world. There is so much suffering. We see more coming. The world is out of balance politically, economically, morally, ecologically, and on the edge of world catastrophe. We support your heroic call for political social action, for dialogue between nations, cultures, and religions.

But, as you know, this will not be enough. Behind all these external events, a spiritual battle is taking place, more than ever, between good and evil, light and darkness, in the hearts of humanity. Here, the real battle must be fought. Humanity is in need of great conversion, and of help from the Lord, from his angels, and from his Mother.

As Christians, we believe that on the Cross, Jesus Christ, our divine Redeemer, has gained full victory over Satan. We also believe that in a special way, the Lord at Golgotha entrusted his beloved people to Mary, the Spiritual Mother of all humanity. As the "Woman clothed with the Sun," clothed with the redeeming power of her Son, she stands in battle with the dragon, now more than ever before.

We need her, but she also needs us. If we honor Our Lady in the full greatness that our Lord has granted her, then she can fully exercise her maternal mediation on our behalf, and as at Cana, can intercede with her Son to do miracles in our times.

In the last two thousand years, the Church has recognized, in four dogmas, the special privileges the Father has granted Mary as the Mother of his divine Son. Yet, never has the Church solemnly recognized her human but crucial role in God's plan of salvation, as the New Eve next to the New Adam, as the Spiritual Mother of all humanity. We are convinced that the Father awaits his Church to specifically and dogmatically honor her coredemptive role with Jesus, for which he will respond with a historic new outpouring of his Holy Spirit.

As you know, many saints of our time, including St. Teresa of Calcutta and St. Maximilian Kolbe, together with over 8 million faithful, and more than 800 bishops and cardinals, have already petitioned the Holy See for this cause, since Cardinal Mercier began this movement in 1915. *With our humble voices, we join them now, at this critical moment of human history.*

Our Lord gave Peter the keys of the kingdom. We ask you, dear Holy Father, to use them now, in these dramatic times, and with your powerful word, in the fullness of your office as Successor of Peter, proclaim the great role that the Virgin Mary played in God's plan of Redemption. Surely, it will release great graces for today! *In love, loyalty, and respect,*
